

SUSTAINABLE DEVELOPMENT

Before watching the video.....

In pairs: Have you heard about this big word before? What does it mean to you?

After watching the video..... (<https://vimeo.com/144354623>)

- What is sustainable development?

- How do we know something is sustainable?

- Name 2 examples of energy that we may run out of? What can be used instead?

- What are the 3 main areas does sustainable development address?
